for Kids' Mental Health**

*Ryan, Boys & Girls Club Clubhouse Director,
and Maeve, Old Mill Center staff member,
working together on-site at the Boys & Girls Club*

The Program

For the last two years, Old Mill Center's therapeutic staff have provided services and resources at Boys & Girls Club of Corvallis on a daily basis to assist kids struggling with mental or behavioral issues.

The Results TREMENDOUS.

- 28% reduction in written warnings for children
- 75% decrease in expulsions from the afterschool program
- Parenting education and support groups to sustain long-term behavior management

How You Can Help

We need funding now to keep this program going. One dollar of investment early in life can prevent up to \$7 in social service costs.
