Old Mill Center for Children and Families 1650 SW 45th Place, Corvallis, OR 97333-1768 Phone | (541) 757-8068

Prior to services, we ask families to complete a screening tool to help us understand the current concerns and determine if we can serve the specific needs requested. After completing the intake questionnaire, we will follow up with the providers and you will be placed on our waitlist. When you are ready to be assigned our intake coordinator will contact you to update and gather the most current information and concerns as status may have changed for you during the waiting period. <u>In the case that we are unable to provide therapy services, we</u> can provide referrals to other providers within the community that might be a better fit. Please complete this form to the best of your ability and either mail the completed form to Old Mill Center or email to lisa field@oldmillcenter.org.
