Holidays around the
World

We will try to travel
around the globe as
much as we can to
celebrate the holidays.

Holiday season is fun. At the same time, it can be hard on families with more events and late nights in their schedules.

Here's some websites to support your child through the holiday season:

How does your families celebrate? This week, I'm passing out a "My Family Christmas Tradition" sheet to fill out. Please give them back by **Thursday, Dec 9th.**

I'll be making a book to pass our to all families with our family traditions.

Email is the best way to connect with me.
