

Job Description

Position: Relief Nursery Outreach Home Visitor .9 FTE

Vision: A community that works collaboratively to ensure that all children and families have access to early education, behavioral and mental health services to improve their well-being.

Mission: Old Mill Center for Children and Families is a community-based, family-oriented center empowering children and families of diverse backgrounds to optimize their potential through specially designed education and therapy programs.

Position Summary: The RN Outreach Home Visitor will be responsible for planning and implementing evidence-based parenting education information and activities designed to address the individual and developmental needs of children, birth to 6 years of age to families enrolled in the outreach portion of the Relief Nursery. This position will also be responsible for assisting families in accessing needed support services and assisting families in utilizing RN respite services and supporting children during respite sessions.

Qualifications: Bachelor's Degree in Early Childhood Education or bachelor's degree in a related field with early childhood experience. Must be able to achieve at least a Step 9 on the Oregon Registry based on educational qualifications and coursework. Must have early childhood knowledge that includes the ability to respond appropriately to each child's developmental level, to nurture and support each child's feelings and self-esteem, establish clear limits for behavior and form positive relationships with families. Experience/background working with families with multiple risk factors and knowledge of community resources is also helpful. In addition, must have an agreement with the OMCCF and Relief Nursery mission. Fluency in Spanish is helpful.

Responsible to Whom: The RN Outreach Home Visitor is responsible to the Relief Nursery Program Manager.
