

## **Open Position**

### **Position: Relief Nursery Therapeutic Classroom Teacher**

**Vision:** A community that works collaboratively to ensure that all children and families have access to early education, behavioral and mental health services to improve their well-being.

**Mission:** Old Mill Center for Children and Families is a community-based, family-oriented center empowering children and families of diverse backgrounds to optimize their potential through specially designed education and therapy programs.

**Position Summary:** The Teacher will be responsible to help in the planning, implementing and evaluating programs and activities designed to address the individual and developmental needs of children, ages 24-36 months or 3-5 years of age enrolled in the Relief Nursery. This position will also be responsible for helping to implement developmental knowledge to parents/guardians/care-givers.

**Qualifications:** AA early childhood and eligible for a Step 9 on the Oregon Registry and a minimum of 1-year early childhood experience. Must have early childhood knowledge that includes the ability to respond appropriately to each child's developmental level, to nurture and support each child's feelings and self-esteem, establish clear limits for behavior and can form positive relationships with families. Experience/background working with families with multiple risk factors and knowledge of community resources is also helpful. In addition, must have an agreement with the OMCCF and Relief Nursery mission.

**Responsible to Whom:** The Teacher is responsible to the Therapeutic Classroom Teacher/Home Visitor.

A full-time position at 32 hours per week with benefits.

Please provide a cover letter along with your resume.
