

Old Mill Center for Children & Families

🐣 Spring Cleaning 🐣

Soap and Cleaning Supplies Drive

March 2023

Old Mill Center serves families with our 6 robust programs; we are a hub of services for children and parents focusing on mental health, well-being, resource security and healthy child development.

At our Corvallis site, we have a comprehensive Resource Closet that all our families can access. We stock it with clothing for children, diapers, food and hygiene products. We are often out of cleaning supplies and need your help to stock up on this valuable resource! Each small thing we do to relieve stress for a family makes a difference. We do not underestimate the benefits of a clean home and body! We are looking for items such as:

- Shampoo
- Conditioner
- Laundry soap
- Dishwasher pods
- Window/glass cleaner
- Other cleaning supplies- i.e. oven, bathroom, etc.
- Body wash, deodorant, shaving supplies
- Toothbrushes and toothpaste

We are always in need of larger sized diapers. Specifically sizes 4, 5, and 6.
