OLD MILL CENTER

For Children and Families

A Message From the Director

...Bev Larson, PhD

Dear friends,

BIG THINGS are happening at Old Mill Center these days!!! I want to share some of them with you.

We have moved into the newly completed West Wing. This first phase of our expansion project includes a much larger integrated preschool classroom. This classroom serves no more than 16 children, ages 3-6, at any one time. However, with some families' part-time schedules, we are able to serve a total of 24 children each week.

This phase is also home to a spacious state-of-the-art Occupational Therapy space-our new "Monkey Room." This amazing space was gifted by Rich Carone, in celebration of his father and mother, Frank and Elvira Carone. The Occupational Therapy room will be used primarily by our new Occupational Therapist, Debby Jo Wagner, OTR/L and our new Speech Therapist, Melinda Croft, MA.,CCC-SLP to help address problems of fine and large motor delay, sensory integration dysfunction, balance, strength, communication delays, and other problems, that without intervention, will result in children/youth experiencing frustration and failure in both academic and social settings. This generous gift will allow Old Mill therapists to provide the intervention needed to improve children's abilities and lead them to success.

This first phase also includes an expansion of the Intensive Treatment Services program, a psychiatric day treatment classroom for children, ages 4-7, with serious mental health problems. Their problems generally are a result of early childhood trauma and abandonment by significant adults in their lives. These children have been unable to be successful in typical preschool or childcare settings, and require this very special environment, in which our dedicated teachers and therapists address the children's mental health issues and involve families in the treatment program.

Gwen Sholl, construction supervisor for TGerding, is cracking the whip on Phase 2 construction. She is knowledgeable, skilled and organized, yet sensitive to the special needs of children, families and staff as we continue to operate our program services while construction continues. Phase 2 will provide new, specially designed mental health space in which counselors will have space for child, parent, family, or group counseling. Our Psychiatric Nurse Practitioner, Ben Newman, MN, PMHNP,

Gwen Sholl,
OMCCF Construction Supervisor

Fireside Recitals 2008

Old Mill Center for Children and Families and the OSU Piano Program once again invite you to become a part of one of the most celebrated concert series in Corvallis. For the past nineteen years, the Fireside Recital Series, sponsored by Barnhisel, Willis, Barlow & Stephens P.C., Attorneys at Law as well as Jayne Ackerman, MD. has provided an intimate showcase for the musical genius of both locally acclaimed and internationally celebrated artists. Our twentieth season is no exception! The 2008 recitals include:

Sunday, March 2nd

Pianist, Rachele McCabe, will join two friends from the University of Oregon, violinist, Kathy Lucktenburg, and cellist, Stephen Pologe. They offer an exciting program including the delightful Sonata No. 1 in D Major for Violin and Piano by Beethoven, the powerful Piano Trio in C Minor by Brahms, and zesty Argentine pieces for piano trio by Astor Piazzolla. Appetizers and wine will accompany this recital. The recital starts at 4:00 PM at the home of Roger Brownell, 1140 NW Lester.

Saturday, May 3rd

Janice Weber, a magnificent concert pianist from Boston, performs an informal program of beautiful piano music and discussion following her formal solo recital at La Sells Stewart Center on the Steinway Celebration Series the evening before. As the winner of The International Liszt Prize, Ms. Weber is a virtuoso at the keyboard. She is also a prize-winning author known for her direct and humorous rapport with both musical and literary audiences. As the London Evening Standard put it, "Janice Weber is the genuine article, an American superwoman. A successful writer of sexy novels she undoubtedly is, but somewhere along the line she has found time to become a sensational pianist." Appetizers will be served along with wine provided by Enoteca Wine Bar. The recital starts at 7:00 PM at the home of Rich Carone, 7250 NE Avalon.

Sunday, June 8th

The Twenty Year Anniversary Concert!!! Time to raise a toast to 20 wonderful seasons of Fireside Recital Concerts. Members of our own "fireside family" will perform and much more. This will also be Old Mill's first event in their new and improved building... Old Mill is celebrating 30 years of service to children and families! This will be a program of creativity and celebration not to be missed! Appetizers and wine will accompany this recital. The recital starts at 4:00 PM in the new East Wing of OMCCF, 4515 SW Country Club Drive

Subscriptions are \$150 per person with all proceeds to benefit Old Mill Center and the OSU Piano Program. Please contact Lisa Penter at 757-8068 ext 114 if you are interested in attending.

We are fortunate to have an active QAC and many thanks go out to our committee. The QAC is comprised of the following dedicated members: Jay Harris RN, Accountable Behavioral Health Alliance Quality Manager, Stephanie Fryer, Community Representative, Linda Burt PhD, Community Representative and OMC Employees including Bev Larson, Melissa Moser, Nancy Leeper, Annmarie O'Daniel, Cherry Hartman, Cindy Bond, Deanne Hanvey, and Medora Tuck. Rally Around Families Together ★ 5

"The water is wide
I can't cross over.
And neither have
I wings to fly.

Build me a boat
That can carry two
And both shall row..."

(Lyrics from "The Water is Wide")

We haven't built a boat, but we have built a RAFT (Rally Around Families Together). Our collaborative partnership adventure housed at Old Mill, which supports families with risk factors was launched in April of 2007. While it started as a birth-to-2 program, during winter quarter we proudly added more space in our RAFT with the addition of a program for 2-to-3 year olds, and hired an additional teacher. RAFT offers our families a safe ride through class V rapids. It includes a therapeutic classroom for their children, child care for children not meeting the age requirements, active participation in early literacy, parent support and education, mental health support, support in the home through home

visiting and assistance in learning about and obtaining resources through other community agencies. "I love coming to RAFT! I love having a safe place for me and my child to come!"

At this point in time RAFT operates three days a week. Infant class (birth-1) meets Tuesdays from 9:00-11:30. Wobbler class meets Wednesday from 9:00-11:30 while Toddler class meets Fridays from 9:00-11:30. Plans are in the works for making the Wobbler and Toddler classes a two-day per week class.

While teaming with Corvallis Public Library and Linn-Benton Community College and through the support of other programs and agencies and the Benton County Commission of Children and Families, RAFT has made its way through the rough water and is gently floating to our destination and goal-helping to support families achieve their dreams.

For more information on RAFT or current openings, please call 757-8068.

Many, many thanks

We're in First Thanks

Thanks to Corvallis Kiwanis Old Mill's new Monkey Room has received a to state-of-the-art climbing wall. The Kiwanians, who donated all the funds for this project, also put a lot of time and energy into installing the wall, which was quite a feat! We will have a lot of happy little monkeys to enjoy this new therapeutic tool.

cleaning all the balls in the ball pit, and much more! All in all, it was an enjoyable, if somewhat exhausting, day for everyone as we began to realize the dream of the first phase of our agency expansion. Thanks to all of you for the part you've played in packing, hauling, carrying, setting-up, etc. It takes a team to make it all happen and we're so happy to have you on the OMCCF Team!!!

They're "One smart Cookie!"

For the past five years, a dedicated group of "smart cookies" has been baking weekly goodies, not only to satisfy the chocolate-craving palate of Old Mill Center staff, volunteers, interns, parents and board members, but to raise money for the classrooms. These "smart cookies" provide a much-anticipated treat each week and have enabled the classrooms to buy such materials as digital cameras, a photo-smart

Corvallis Youth Services Committee of Kiwanis funded a Boardmaker, a software application, which significantly advances the language and communication skills of all children, but especially for those with special needs.

The Brauti Family Fund provided funding for general operating expenses.

West Wing

OMCCF moved into our new West Wing with the help of some incredible volunteers. Board member, Dale Ramsay, worked hard all making sure everything in the new wing was ship-shape and our wonderful preschool classroom volunteer, Jim Eickelberg, gave many hours washing cubbies and toys. Everything went to its new spaces like brand new! Local ROTC and staff members were also a tremendous help and to our great joy, about 20 Mr. CV candidates came and worked their hearts out moving furniture and classroom supplies,

printer, dictation machine and art center to name a few. Come by on Wednesdays and Thursdays for some tasty treats. The "smart cookie" awards go to Kathy Mark, Cindy Bond, Amy Smoker, Annmarie O-Daniel, Marcy Monasky, Catherine Bramwell, Jill Irwin and the children of the Intensive Treatment Services classroom. Keep on bakin'!
